

## Lake Ridge H.S. Building Dedication

Sunday – August 19

### Choir Performance Information

We have the distinct honor of performing our alma mater at the dedication of our new school. I appreciate your willingness to spend time before school starts

It is important to do a professional job for this event, so we need to...

- Learn the music well
- Be on time
- Look sharp.

I plan to post the audio of “Stand Tall for Alma Mater” on the blog so you can sing over it at home. Work to have it memorized, please.

On Sunday, please arrive by 1:00 pm and report to the choir room. If you are in band or involved in any other way in the program, check with me to find out when we all need to be together and what the general plan of action is. We will need to get on stage at some point to run through with sound.
