

UIL CALENDAR

Chorale - Men's Ensemble

Contest Eligibility

If you pass all your classes the 4th six weeks (ending Feb. 27), you are able to sing at UIL. If you do not, you can still recover at the next progress report (March 27). Everyone can participate at Pre-UIL.

Pre-UIL Performance (all choirs) April 7 OR April 9 at Willie Pigg Auditorium

Keep both these evenings free until we find out the schedule. We could be right after school or late in the evening. You might have to be responsible for getting your own ride.

UIL Concert-Sightreading Contest (Chorale & Treble Choir) April 21 OR April 22

Keep the evenings open until we get the schedule. We could be singing during the school day and have to get to school very early. We could sing late in the afternoon and not be finished until the early evening. Once we have the contest schedule, I will let you know.

Lone Star Showcase of Music Competition (Chorale & Treble Choir, Men)

May 1, Friday - all day into the early evening

The UIL choirs will compete at Newman Smith High School in Carrollton. We will then have some other activities and return to school in the evening. Members of Men's Ensemble who are eligible will also attend. There will be a cost for the activity that afternoon.
