

UIL CALENDAR

Rehearsals & Performances

Combined Treble Choir

To prepare for our UIL performance, five rehearsals have been scheduled to combine the two classes. 100% attendance is vital. We have to know what we sound like to make adjustments and polish our musical interpretation.

- All rehearsals and performances are required and test grades.
- Being late to rehearsal or leaving early without prior permission will lower your grade.
- Bring any conflicts to me right away. We will work out a compromise with school activities.

Contest Eligibility

If you pass all your classes this six weeks (ending Feb. 27), you are able to sing at UIL. If you do not, you can still participate if you pass everything at the next progress report (March 27).
